

N115F-SET

900067-T

Clamp set for side mast mounting. SS316

For KUM8XX and KUM9XX, packed in a tube. 2xN115F.

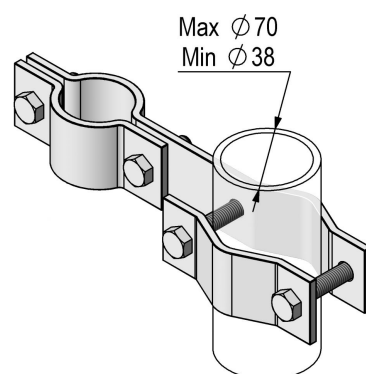

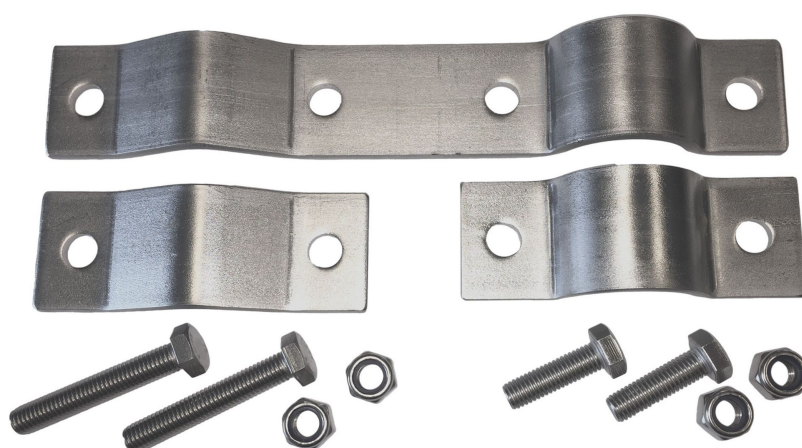

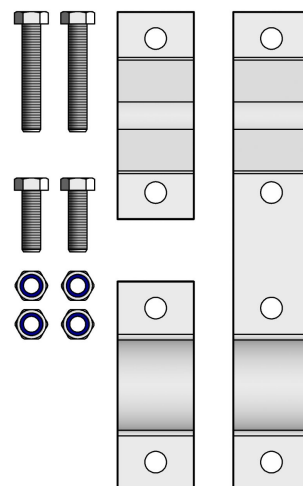

This mount is made for side mast or vertical rail mounting of the KUM8XX and KUM9XX antenna families. N115F is a heavy duty stainless steel mount withstanding long term rough weather conditions at sea. The stainless steel is grade SS316 and electropolished for a better finish. N115F-SET contains 2xN115F. Each antenna requires two N115F mounts for secure installation. Please see Installation Guide regarding installation. Photo shows 1xN115F. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands...

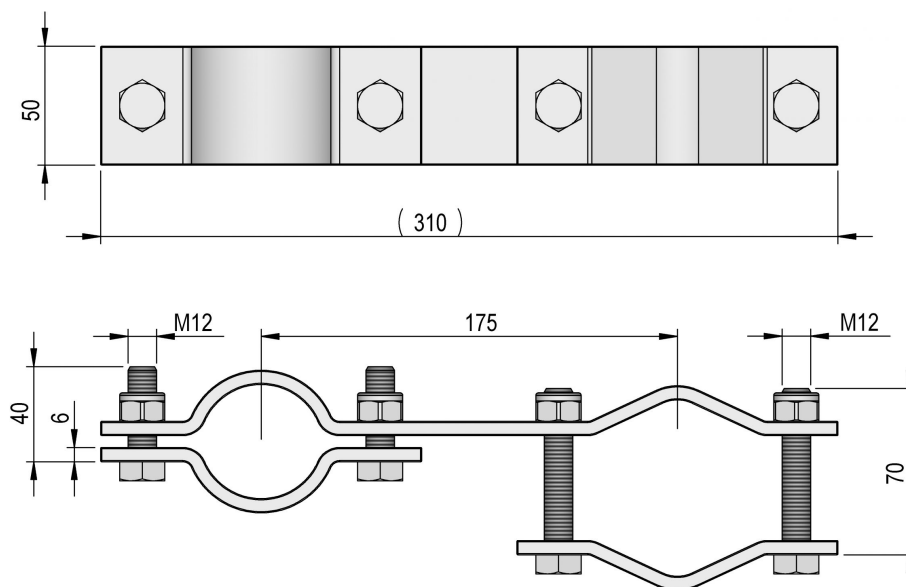

Short description

Product group	Mount
